Honor Statement Regarding Drug-Free Workplace

The Boys & Girls Clubs of the Northwoods is strongly opposed to the illegal use of drugs and alcohol in the workplace and in our community. The Club places a high priority on providing a safe and healthy work environment for employees and for members. We expect our staff to be role models for the young people. The Club's policies require employees to report to work free of the influence of alcohol or illegal drugs or narcotics. The possession, use, purchase, sale or transfer of alcohol or illegal drugs while at work or on Club property is strictly prohibited. Staffs are expected not to condone or in any way support illegal drug or alcohol use by members.

I agree with the Club's positions on the importance of a Drug-Free Workplace, and I pledge to comply with the Club's policies in the interest of members, my co-workers, the Club, and the community.
