## Program Descriptions

**Awesome Art:** Paint, draw, color, build, create. A wide variety of arts and crafts activities for you.

**Kahoot:** The very popular computer based trivia game is back and ready to test every member's knowledge.

**Lego Challenge:** Show your creative side and design the best Lego creation for the day's challenge.

**Brain Gain:** Educational experiences that spark curiosity, and allow youth to explore their interests, and create opportunities to build academic and social-emotional skills

**Triple Play:** Learn a variety of different gym games, while also learning about sportsmanship and teamwork.

**Healthy Habits:** Learn ways to live a healthy life, whether it is the food you eat or the decisions you make!

**Career Launch:** Job-readiness and career preparation program for teens

**Reading Program:** Walking to the library, checking out books to read

**Money Matters:** Teaches the basics of personal finance and the importance of an early start to financial responsibility

**SMART Moves:** Helps youth develop healthy decision-making attitudes and skills

**STEM:** Closing the gap in science, technology, engineering and mathematics

**Positive Action:** Building social-emotional skills in young people

**Team Building:** Individuals learning about themselves and others

**Myfuture:** Learn about healthy eating choices, good life choices, and healthy relationships

**Ultimate Journey:** Activities that cultivate an awareness and appreciation of the natural wonders that surround youth

**Zen Den:** Yogo, meditation and opportunities of self-care

**Triple Play Daily Challenge:** Encourage physical activity through games, cooperative activities, and sports

**Smart Kidz:** Child Safety about preventing abduction, body safety, and safer behaviors

**Netsmartz:** Internet safety
